## The Baby Box Co.

Are you expecting or have a baby under 3 months of age? Did you know you can get a free baby box that includes the box, mattress, fitted sheet and new baby essentials. Simply go to [www.babyboxuniversity.com](http://www.babyboxuniversity.com) and follow the 3 easy steps.

## Car Seat Safety

Did you know that it is the LAW in Canada that all forward-facing car seats must be tethered to a designated tether anchor? It's not just the law, it's SAFETY. In a crash, the tether reduces the forward motion of the car seat, which greatly reduces risk of injury. If you have any questions about tethers or anything Car Seat related, Care'N'Share has Trained Child Passenger Safety Technicians. Call today for an appointment to have your car seat checked.
